Good morning, Michael and Matt --

We wanted to touch base on a couple matters:

1. Draft Status Report: attached is a draft of a Status Report that we'd like to file to inform the Court of the extension of the public comment period and related procedural matters involving service of process. Please review and let us know whether you concur with the draft.
2. Emissions inventory report: please give me a call at your convenience regarding your question. I expect to be away from my desk starting around 11:30 but should be available later this afternoon.

Thank you.

Best,
Pat
